

Dedicated Classroom Facilities

Our Learning Spaces: Classroom Facilities Overview

We provide a wide array of learning environments across our campus, designed to accommodate various class sizes and teaching needs. Our focus is on creating well-lit, ventilated, and spacious rooms conducive to modern education.

Total Classroom Capacity

Our institution features a robust network of **37 dedicated classrooms** spread across three floors, offering ample space for all academic programs.

Ground Floor: Large & Flexible Learning

The Ground Floor emphasizes larger and more flexible classrooms to handle major lecture courses and large groups:

- **Total Ground Floor Classrooms: 7**

First Floor: Consistent & Dedicated Teaching

The First Floor hosts the largest quantity of our standard teaching rooms, ensuring high availability for daily schedules:

- **Total First Floor Classrooms: 11**

Second Floor: Expansion & Uniformity

The Second Floor is dedicated entirely to capacity expansion, featuring a large, uniform block of teaching spaces:

- **Total Second Floor Classrooms: 19**

We believe these diverse spaces contribute significantly to a balanced and effective learning atmosphere for all students and faculty.
